

# East Texas Depression & Bipolar Group

Tyler Texas, May 2006 Newsletter

Never give up, there's rainbows

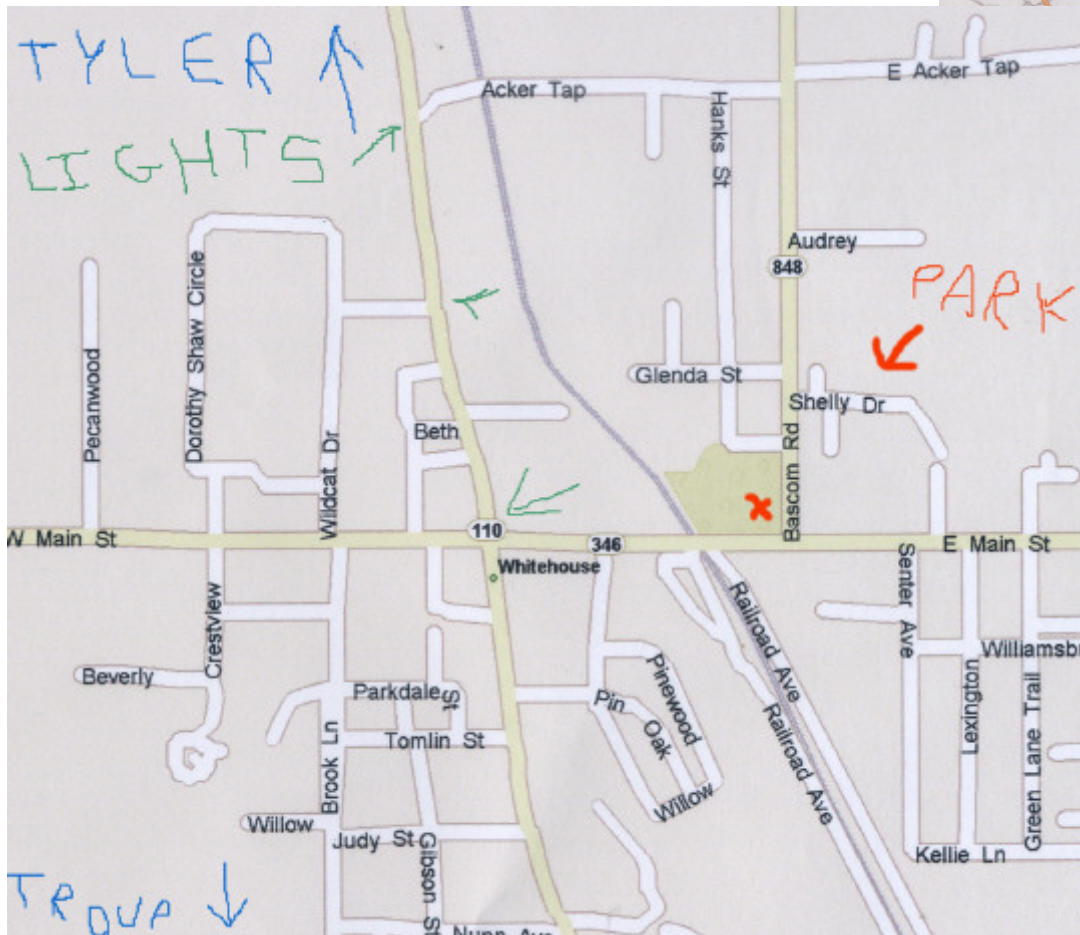

We always meet at ETMC Behavioral Health Center cafeteria at 4101 Spur 248, Tyler Texas (across from UT Tyler). Our meetings are on the 2nd Thursday of each month at 6:45 PM. We have no membership dues, so just come and enjoy our group.

We will have our picnic at the usual time and place. That's Whitehouse city park (see maps below) at 4PM on May 27. Like the meetings, everyone is invited. Please bring something to eat.

The next regular meeting will be on June 8. We will see a tape on bipolar disorder called "Second Opinion / Research Update Video".

As you can tell from the map, there are three traffic lights in Whitehouse along highway 110 (Troup Highway). The turn for the park is at the southernmost light.
