Never give up, there's rainbows

We meet at ETCIL (East Texas Center for Independent Living) at 4713 Troup Highway in Tyler (call 903-581-7542 for directions). Our meetings are always the 2nd Thursday of the month at 10:00 AM. We have no membership dues, so just come and enjoy our group. Donations are welcome, but never required.

At the next meeting (May 14) we need to talk about our annual picnic. We have been having it at Whitehouse City Park (see maps on other side) on the last Saturday in May (May 30 this year) at 4:00 PM. Of course this can be changed if we decide to.

In case you forgot, letter postage is supposed to go up to 44 cents on May 11.

There is a new URL for the group's website.
